

P.B.I.T Summer Updates 2018

Website Renovations

The current website has been in place since P.B.I.T began service in 2014 and it is time for an update! The goal with the update is to clean up the website, make information about ferry service easier to find and to better facilitate customers looking to make online reservations. Watch for the Log In tab at the top of the page, this will allow you to quickly login to your customer account to make or change your reservations. If you do not yet have a customer account sign-up online by clicking below or ask about it in the Prudence Office next time you are making reservations. With a customer account you can save vehicle and credit card information speeding up the reservation process. The website will also feature an updated events calendar which lists many of the events occurring on Prudence Island.

Reminder about Package Deliveries

Upon arrival to the island, over-size packages are left outside the ticket office on the south side of the building. Whenever possible please inform the office of the delivery of over-size packages to give crew more time for loading.

Over-size packages or freight items (appliances etc.) that **do not** arrive UPS, Fed-X or USPS must be paid for and ticketed in order to be shipped on the ferry.

Please try to pick up all packages quickly after they arrive, space is limited and packages may be left outside if there is no inside space available.

Upcoming Bristol Dock Work

Recently the Town of Bristol received a grant which will allow for the continued repairs to the Bristol Ferry Terminal. These repairs will focus on the North side of the dock. This project is still in the planning phase but we are working closely with the town of Bristol to prevent any interruptions to ferry service. We will do our best to keep all of our customers informed of any new developments.

Still openings for August and September Event Cruises!

The summer is not over yet!

There is still plenty of time to book your event aboard the Herbert C. Bonner. Event cruises run Saturday nights or Sunday day through September. There are many dates still available in August and September! Email Kate@PI-Ferry.com for pricing and additional information.
